AVAILABLE SEASONALLY
—
DRAFT & CANS

Export is inspired by the bold and often overlooked lagers of northern Germany: hearty beers that reflect the hard-working industrial nature of the region. Our mineral-rich water provides a crisp bite similar to the waters of Dortmund. With the full malt flavor of a Helles lager and the punchy hop character of a Czech pilsner, Export is a crisp, clean beer that's the perfect reward for a hard day's work.
