GRAINS: BOHEMIAN PILSNER,
PALE WHEAT, OATS, ACIDULATED
ABV: 4.7% **IBUS:** 19

AVAILABLE AUGUST-NOVEMBER
—
DRAFT & CANS

Bold, spirited and intensely aromatic, Galaxy Park is a single hop pale ale that's full of surprises. Galaxy hops from Australia work with our unique house yeast to create a complex and layered flavor profile, going beyond Galaxy's initial burst of pineapple, passionfruit and citrus, to wry hints of riesling and fresh cannabis. This is a beer for adventures—great for cooling off after a crosstown bike ride or a meandering hike in the redwoods.
